Raja Ramalingam

Associate Professor & Head in Computer Science(Artificial
Intelligence & Date Science), Gobi Arts & Science College, Gobi,
Erode, TN, India, Completed PhD in Bharathiar University,2015.
Erode, Tamil Nadu, India

Summary

Currently working at Gobi Arts & Science College, Assistant
Professor, Dept.of Computer Science since 2009. In 2015, I have
completed PhD in Cluster Algorithm (Implemented in Mobile Ad
hoc Network). I worked as a Software Engineer from 2005 to 2009,
gained experience on Web Applications such as Asp, Asp.Net,
RDBMS-oracle.

Area of Research: Cluster Analysis using Euclidean Distance Linear
Algebra, Algorithm Design.

My passion: Teaching-Learning must be a celebration,
"learning is not competition".

"Learn one thing completely then other will included "

My Vision: Teacher should be a innovator.

My Focus: Make a computer science as a Science, Technology
optimist.

My blog: http://ramsphdblog.blogspot.com

system.html

Experience

Gobi Arts & Science College
Associate Professor & Head in Computer Science(Artificial Intelligence
& Date Science)

June 2009 - Present (14 years 10 months)
Erode Area, India

IT Industry
Software Developer
August 2005 - June 2009 (3 years 11 months)
Coimbatore, Tamil Nadu, India

IT experience on ASP, ASP.net, MS Sql Server

_____

Education

Bharathiar University
Doctor of Philosophy - PhD, Computer Science · (2011 - 2015)

Bharathiar University
M.C.A, computer applications

Gobi Arts & Science College
M.Sc - Master of Science, Computer Science

Gobi Arts & Science College
BCA - Bachelor of Computer Application, Computer Science
